1. ELIGIBILITY AND ACCEPTANCE

1.1. The Game's initial distribution is intended for Finland and the other EEA countries. The United Kingdom, Switzerland and other markets are not included in this initial offering.

1.2. The Game is intended for players aged 13 and over, subject to age ratings and feature restrictions. Where a minor cannot validly accept this EULA, a parent or guardian must accept on the minor's behalf when required. Adults accepting on behalf of a minor undertake the responsibilities stated in Section 2 of the Terms.

1.3. You must not bypass licence, age, security or distribution restrictions or use an unauthorised copy of the Game.

2. LIMITED LICENCE

2.1. We grant you a limited, personal, non-exclusive, non-sublicensable and non-transferable licence to install and run an authorised copy of the Game on supported devices you own or control, for private entertainment only, subject to this EULA, the Terms and applicable store requirements.

2.2. This licence gives you no ownership of the Game, its code, graphics, assets, characters, music, documentation or other intellectual property. All rights not expressly granted are reserved.

2.3. You may make copies only as necessary for authorised installation and use or as otherwise required by law or permitted by the relevant distribution store. You must not distribute copies or extract assets for commercial use.

2.4. A licence to an installed copy does not confer an entitlement to perpetual hosting, future updates beyond those required, unrestricted online access, permanent download availability, restoration of local progress or compatibility with every future device or operating system.

2.5. The Game is not licensed as a development toolkit, asset library, white-label application or source-code product.

3. OWNERSHIP AND PERMITTED MEDIA USE

3.1. We and our licensors own the rights in the protected Game software, artwork, music, sound, animation, characters, designs, names, logos and related materials. Purchasing virtual content does not transfer intellectual-property ownership.

3.2. We grant you a limited, revocable permission to publish gameplay recordings, screenshots, livestreams, reviews and tutorials, including monetised videos, provided that you comply with applicable platform rules, respect third-party rights and do not falsely imply our endorsement.

3.3. This permission does not cover distribution of standalone assets, audio files, source code or playable copies, the sale of merchandise based on protected Game material, or unauthorised use of our marks. We may withdraw a discretionary permission prospectively on reasonable notice.

4. RESTRICTIONS

4.1. You must not:

(a) copy, rent, sell, sublicense, redistribute or make the Game or a substantial protected portion available to others without permission;

(b) extract, resell, reproduce or commercialise the Game's protected assets, software, audio or visual materials;

(c) remove notices of ownership or misrepresent the Game's origin or affiliation;

(d) modify the client or forge purchases, receipts, virtual balances, inventory, competitive results or network messages;

(e) bypass encryption, payment validation, security measures, access controls or anti-cheat controls by unlawful means;

(f) use stolen credentials, leaked signing keys or unauthorised copies to access the Game; or

(g) interfere with the Game, infrastructure or other players.

4.2. Restrictions in this Section apply to the maximum extent permitted by applicable law and by relevant third-party software licences.

4.3. We may seek available remedies for infringement, fraud, unauthorised distribution, security attacks or unlawful interference.

5. UPDATES, COMPONENTS AND SUPPORT

5.1. We may update, patch, modify or replace the Game for security, compatibility, maintenance, game balance, technical or operational reasons. Online features may require the current compatible version.

5.2. We do not promise a perpetual update programme, a particular development schedule, continued support for every operating-system release or future feature development. Any update commitment expressly included in a purchase offer remains subject to its terms.

5.3. We are not responsible for defects caused exclusively by a user's failure to install a necessary update after proper notice and adequate installation instructions, to the extent permitted by applicable law.

5.4. Third-party and open-source components remain subject to their respective licence terms. This EULA does not grant any additional rights in software owned by third parties.

6. DISCLAIMER AND LIABILITY

6.1. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE GAME IS PROVIDED "AS IS" AND "AS AVAILABLE," WITHOUT WARRANTIES OF ANY KIND OTHER THAN EXPRESS WARRANTIES CONTAINED IN A SPECIFIC PURCHASE OFFER.

6.2. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE DISCLAIM LIABILITY FOR ALL CLAIMS AND LOSSES ARISING OUT OF OR RELATED TO THE GAME, INCLUDING FAILURE TO OPERATE, ERRORS, LOSS OF SAVED PROGRESS, LOSS OF VIRTUAL ITEMS, NETWORK INTERRUPTIONS, THIRD-PARTY SERVICES AND DIRECT OR INDIRECT DAMAGES.

6.3. WHERE LIABILITY CANNOT BE EXCLUDED BUT MAY BE LAWFULLY CAPPED, THE MAXIMUM AGGREGATE LIABILITY IS EUR 1.00 (ONE EURO) PER USER IN ANY TWELVE-MONTH PERIOD. Section 13 of the Terms applies to the same subject; these provisions are not cumulative caps.

6.4. We are not providing software for safety-critical, medical, financial or business-critical purposes. We make no guarantee of continued online hosting, rankings, cloud recovery or uninterrupted multiplayer access.

7. SUSPENSION AND TERMINATION

7.1. We may restrict or terminate access for serious or repeated material violations, fraud, intellectual-property infringement, unlawful conduct, security threats or abuse, as provided in the Terms.

7.2. We may discontinue online features or distribution for the economic, technical, legal, security or operational reasons stated in Section 10 of the Terms. We do not undertake to provide replacement servers, future download access, account migrations, source code or a newly developed offline edition.

7.3. Discontinuing hosting does not by itself cancel the licence to a lawfully retained and functional offline copy. The licence to such a copy continues unless validly terminated.

7.4. On valid termination, you must cease the uses covered by the termination and remove affected copies where required. Clauses governing ownership, restrictions, liability and enforceable obligations survive as appropriate.

8. DISTRIBUTION PLATFORM TERMS

8.1. Google Play

8.1.1. For a copy obtained through Google Play, this EULA is between you and the Licensor, not Google. The applicable Google Play terms govern Google-provided payment and distribution functions.

8.1.2. Device, reinstallation and eligible family-sharing permissions under binding Google Play requirements remain subject to those requirements; they do not transfer private player accounts or spent consumables.

8.2. Apple App Store (only if the Game is distributed there)

8.2.1. This EULA is between you and the Licensor, not Apple. We are responsible for the Game and its content; Apple is not responsible for maintenance or support under this EULA.

8.2.2. Your licence is limited to use on Apple-branded products you own or control in accordance with Apple's Usage Rules, including eligible family-sharing and volume-purchase access.

8.2.3. Apple may reimburse the purchase price if the Game fails to conform to an applicable warranty under Apple's relevant terms. Further warranty, product-liability, regulatory, consumer-protection or intellectual-property claims relating to the Game are our responsibility as required by applicable law.

8.2.4. You represent that you are not located in a prohibited US-embargoed territory or on an applicable prohibited-party list, and you must observe relevant third-party agreements.

8.2.5. Apple and its subsidiaries are third-party beneficiaries of this EULA and may enforce it against you in that capacity.

9. GENERAL TERMS

9.1. The Terms govern accounts, purchases, multiplayer, social functions, virtual items, service operation, amendments and disputes. In the event of an inconsistency, the specific purchase terms apply to the item purchased, and otherwise this EULA governs the software licence and the Terms govern use of the Services.

9.2. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE RESERVE THE RIGHT, AT OUR SOLE DISCRETION, TO AMEND, SUPPLEMENT, REPLACE OR WITHDRAW THIS EULA, IN WHOLE OR IN PART, for the reasons and under the procedure set out in Section 16 of the Terms. We determine the proposed effective date and may require acceptance of a revised EULA before permitting further use of the affected Game or Services. Revised provisions apply from their applicable effective date or valid acceptance, as appropriate.

9.3. Finnish law governs this EULA. Disputes are brought before courts having jurisdiction under applicable law.

9.4. If a clause is unenforceable, the remaining clauses remain effective to the maximum extent permitted by law. Our failure to enforce a clause once is not a waiver of future enforcement.
